

# Hello Villa!

Dear Parents:

We wish you all a Happy Valentine's day! January open house was successful! Thank you all for sharing the invite with the community members; a special thanks to Sougo's mother for her support!

I am excited to share that one of Villa's alumni has reached out to give back to Villa. Jasmeet, currently a middle school student, wants to offer an exciting science lesson presentation to Villa children. We are so thankful that Adrien's mother, another alumni family, is continuing to give back to Villa by teaching Yoga to children each month! THANK YOU so much!

Portrait day is on February 6<sup>th</sup> Thursday. All program children [AM, PM, School Day] will attend school from 8:50 am. Sibling pictures will be taken between 12-2:00 pm only. More portrait ordering information will be sent home soon.
