Teacher's Corner

As we end another year at Villa Montessori, we wish the children who will be moving on all the very best. To those children returning for the next school year, we wish you a great summer break.

To our Parents, Villa wishes you well and we'd like to leave you with this quote from Dr. Maria Montessori:

"Education is a natural process carried out by the child and is not acquiring by listening to words but by the experiences in the environment."

Room1

In June, we will review some of the jobs in different areas. And we will also have some outdoor activities and art projects to conclude the last few days of the school year.

We, Room 1 teachers, have really enjoyed working with your kids and we wish them the best as some will move on to kindergarten. This poem is fitting:

" Goodbye"

I'm glad I was your teacher,
 I've come to love you so
 I can't believe the end is here
 I hate to see you go

I've watched you learn and grow
 And change from day to day,
 I hope that all the things we've done
 Have helped in some small way.

So it's with happy memories that
 I see you out the door
 With great hope and expectations
 For what next year holds in store

Remember all the fun we had

In all the things we did,
But most of all remember...
You're a very special kid.

For the kids who will be returning, we are
looking forward to having another exciting
journey together.

Room 2

The school year is about to end, and it feels like just a few weeks ago when children entered the classroom with tears in their eyes. Some of them had a hard time to say goodbye to their families. As their teachers, we enjoyed working with them and watching them learn and grow. All of our students learned a lot and gained confidence during the school year.

During the remaining days of the year, Room 2 children will review some of the materials and curriculums. Room 2 teachers wish the best for all the students.

Have a great summer
from all of us at Villa
Montessori!
