

**PARENT PARTICIPATION AGREEMENT**

VILLA MONTESSORI SCHOOL is a parent-operated, non-profit corporation, which is administered by a Board of Directors elected by the parents. Villa has consistently held its application fee, tuition, and materials fee well below other quality schools in the area. This has been done with the parent participation of all families whose children attend Villa. To insure this help in the future, Villa has adopted a Parent Participation Policy. All school families are required to give a minimum of **Ten (10) hours of parent participation service per child each year.** This participation can be served in one or several of the following ways:

- Board of Directors member
- Work morning(s)
- Special projects
- Making Classroom materials
- School cleaning **(6/10/2017) and other dates as needed**  
(All parents who have not yet fulfilled the ten hours service are required to attend this end of year cleaning.)

A \$500 Parent Participation deposit is payable to the school at the time of enrollment. Once you have fulfilled your 10 hours of service, Villa will refund the deposit amount. Villa Montessori will keep the Parent Participation deposit for any unfulfilled hours by the end of the school year.

*Please detach and return bottom portion to Villa.*

.....

We have read and agree to the above Parent Participation Policy. I will pay the School \$50/hour for any unfulfilled 10 volunteer hours.
