

Dear Villa Families,

It is great joy to welcome spring and bear the special news about the new addition to Villa community! Adrien is a big brother now! Adrien's parents are thrilled to share the birth of their baby girl, Lucie, last Thursday! We were excited to see her at Villa on Monday! 😊 Pic: Lucie and her big brother Adrien bonding.

Blossoms around and so are pollens! Some children show allergic reaction to the changes in the weather and the pollen in the air. Please feel free to send a face mask for your child if you think it will help keep the exposure to a minimum.

### School Updates:

April 10<sup>th</sup> last day to turn in 2018 school year tuition and to secure a spot for next school year.

From 2018 school year, the parent participation hours requirement will be prorated to the number of months the student attends the school. For each child enrolled in Villa, the parents contribute five hours on regular school/classroom prep activities, and one hour exclusively for either mid or end of the year school clean up activities.

### Teacher Requests:

Please label all items sent out to school. Every Friday is sharing day at Villa! Children who don't bring an item to share feel disappointed during circle time. Please remember to send in an item you and your child prepare together that your child can share during circle time. **Wash the backpacks and lunch bags each week to remove smells and stickiness.** Backpack is needed for keeping small notes and papers that children will carry back home. Mark your calendar for upcoming Family Day events!

### Important Reminders:

**April 13<sup>th</sup>-19<sup>th</sup>: Spring Recess. No School.**

**April 22<sup>nd</sup>: Earth Day. Preserve, recycle, reuse, reduce, and repurpose natural resources!**

## April 27<sup>th</sup> Family Day at Villa!

**Both PM and AM session children will come to school at 9:00am.**

**9:30 am - 9:45 am** Children's song performance to celebrate Mothers, Fathers, and special family members!

**9:45 am – 10:45 am Magic Show. 11:00am -noon** –child and family will do a hands-on project together while enjoying a light snack.

**Mark your calendar June 9<sup>th</sup> Saturday end of school year clean up, 9am-noon.** You will earn parent participation credits for this clean up activity.

### Thank You Corner:

A huge shout out to Audrianna's father, Kevin, who generously helped our community parent when she needed to change the car tires! Kevin helped her without letting the morning rush to get to work come in the way! It was such a Random Act of Kindness! Thank you, Kevin!

Avery's mother, Jean and Srivardhan's mother, Priya, helped create an art work project in honor of our staff Mrs. Taam and Mrs. Desai. It was beautiful and a special gesture! Children, staff, parents and the receiving staff enjoyed it equally!

Renee's family donated \$100 Michael's gift card for her birthday toward classroom materials! Jaclynn's family donated Playdoh as birthday goodies for children, Jacaranda's mom Hui created certificates for teachers, and Grace's GRANDMA (*once again*) baked yummy treats for Villa team! 😊

It is because of such kind-hearted people caring for one another genuinely Villa becomes a special place that we all love to be a part of! Thank you all from the bottom of our hearts!

Warm Regards,

Villa Team!
