

January 2020 Hello Villa!

Dear Villa Families:

Welcome back! We wish you a wonderful New Year! Team Villa is very thankful for your generous tokens of appreciation! Holidays were a bit sweeter because of you!

Annual winter performance was phenomenal, and children were so happy to see you and the extended family! Performance video and pictures will be available to view as soon as the parent volunteer uploads them onto Shutterfly.

Thank You Corner!

We begin the new year with gratitude! Our heartfelt thanks to parent volunteers for your continued support! Special thanks to Benjamin, Stella and Henri for special holiday treats! We thank Keira's family for monetary donations; Rasheed and Harper's family for Amazon gift cards, Kiaan's family for, "My Healthy Plate Activity Set," and Avery's family for "Moveable Alphabet Box" which were donated to the classroom in honor of their child's birthday.

Henri and his dad fixed school benches located near the front door. Benches look like almost new and fantastic! Here are some before and after Henri's magic touch pictures to enjoy!

Once again, you shared kindness and support during annual Food Drive run in association with the West Valley Community Services, located in Cupertino. We were touched while watching children enthusiastically sharing toys, food and goodies with the families in need!

Villa is lucky and grateful for our dedicated families that support the school throughout the year! Thank you all so very much!

Upcoming Events:
